

Wine Market Analyst

Location: London with some flexible working

Competitive salary dependent on experience. Company performance-related bonus, healthcare insurance & wellbeing benefits.

A unique and exciting opportunity for an enthusiastic, data-driven individual to analyse trends in the global fine wine market.

Liv-ex is the global marketplace for the wine trade, with over 550 members worldwide. We offer business services that span trading, data, fulfilment and automation technology to a diverse group of wine businesses – from ambitious startups to established merchants.

Our goal is to make fine wine trading more transparent, efficient and safe for the benefit of our members and the market as a whole. We are hard-working, committed yet informal, energetic and action oriented.

Founded in 2000, Liv-ex has grown to serve a growing number of merchant members with a broadening range of services. We help clients and other stakeholders to better understand the fine wine market and identify opportunities to profit.

The role

We are looking for a commercially minded and entrepreneurial market analyst to make the most of Liv-ex's market leading fine wine price data and other insights. You'll be intellectually curious and able to turn research findings, Liv-ex data and industry knowledge into commercial insights our members can act upon.

Responsibilities

- Mine the Liv-ex database in search of stories for the writing team
- Provide data and written analysis for our daily 'Market Updates', weekly 'Talking Trade' and monthly 'Market Report', that summarise market activity on Liv-ex.
- Collaborate with the data team to calculate daily/monthly/ad-hoc Liv-ex indices, which are the global benchmarks for fine wine and, used by both Bloomberg and Reuters
- Collecting pricing information on wine releases; tracking and analysing any changes in price
- Fact-check the accuracy of data in all written content
- Update charts showing the evolution of trade on Liv-ex
- Handling ad hoc data requests with the team and developing new, market leading analysis

Knowledge, Skills and Experience

Essential

- A strong understanding of SQL/MySQL or equivalent database language
- Excellent Excel skills with previous experience using pivot tables, formulae, index matches (VBA knowledge a plus)
- Analytical mindset and strong data background, comfortable interpreting and using data.
- Highly numerate, confident analysing complex numerical data
- Strong communication skills, with the ability to work independently and as part of a team
- Excellent attention to detail and an emphasis on creating and examining processes.
- Strong academic track record

Desirable

- An interest in the global fine wine market
- Creation and maintenance of Power BI
- Familiarity with HubSpot, WordPress, QlikView/QlikSense
- Experience using Everviz (HighCharts)

THE FINE WINE MARKET

Attributes

- Strong communicator at all levels, a real team player – able to build productive and effective working relationships with the broader team
- Committed and hardworking, driven to succeed
- Enjoys a fast-paced environment and can initiate positive change
- Intellectually astute and confident
- Excellent attention to detail and organisational skills
- Enjoys working with others in a small team and developing new ideas
