

THE FINE WINE MARKET

Logistics Manager

Location: Tilbury, Essex

Competitive salary dependent on experience. Company performance-related bonus, healthcare insurance & wellbeing benefits.

Our operations team are looking for an experienced Logistics Manager to help plan and manage our global logistics network. Based at our Tilbury warehouse with management responsibilities for a small but growing team. Responsibilities will include planning and executing the processing and distribution of goods across international markets to enhance customer satisfaction and sustainability.

Liv-ex is the global marketplace for the wine trade, with over 550 members worldwide. We offer business services that span trading, data, fulfilment and automation technology to a diverse group of wine businesses – from ambitious start-ups to established merchants.

Our goal is to make fine wine trading more transparent, efficient and safe for the benefit of our members and the market as a whole. We are hard-working, committed yet informal, energetic and action oriented.

Founded in 2000, Liv-ex has grown to serve a growing number of merchant members with a broadening range of services. We help clients and other stakeholders to better understand the fine wine market and identify opportunities to profit.

Summary Purpose

We are looking for someone with proven working experience as a Logistics Manager who can contribute to the creation of a best practice logistics vision and international strategy, with a demonstrable ability to lead and manage a team. The role will suit someone with excellent organisational, problem solving and analytical skills who can handle multiple priorities/projects.

Responsibilities

- Management of 3 team members
- Relationship management with Liv-ex's 3rd party distribution partners in Europe, USA and Asia
- Effectively forecast site throughput volumes
- Manage site inbound booking schedules and manage against resource plans

- Identifying opportunities for improvement within the logistics team and its relevant processes
- Ensuring logistics operations run to schedule
- Ensure trades are delivered and invoiced within settlement calendar timeframes
- Effective management of the Liv-ex collection network
- Ensure logistics paperwork and administrative tasks are processed in a timely fashion
- Management of freight network (primarily in mainland Europe) including temperature controlled services and options
- Support Senior Warehouse Manager and Head of Global Operations on developing logistics services in new markets

Knowledge, Skills and Experience

Essential

- Management experience
- Excellent communication skills
- European operations and logistics experience
- Understanding of warehouse operations
- Understanding of customs processes, particularly relating to excise goods
- Experience of undertaking process reviews and leading change management

Desirable

- Wine industry knowledge or interest
- Understanding of temperature controlled transport
- Degree in Business Administration, Logistics or Supply Chain

To apply, please send a copy of your CV with a cover letter to outline why you are interested in this opportunity to our HR team at clientresourcing@strattonhr.co.uk.
